Ocean is a charming Thai style villa. Its open and airy planning gives full right to the magnificent scenery that surrounds Mountain Breeze. The kitchen, dining and living area coalesce in an open design that creates a magnificent feeling of space that is magnified by the large panorama windows leading to the extensive pergola covered veranda with beautiful scenery of the green mountains of Sam Roi Yot. This house captures the essence of a relaxed lifestyle in a tropical valley. From the bathroom frosted glass doors lead to the outdoor bathing area containing a shower and a small pool where bathing under the open sky lends peace of mind. The pool can be substituted with a Jacuzzi as an option.
